Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

My 8th grade sister loved having this and being able to play familiar songs

My daughter loves this book because she can play Disney songs that her friends recognize. Some of the songs are kind of short, but they cover the good parts of the songs.

My sister love Disney so she loved this music book, another great Christmas gift

Fantastic easy to play pieces for the trombone.

Arrived early and as described. Price was very reasonable and book is high quality.

My daughter started playing the trombone last year and wanted some music that she could relate to more. I got it for her as a Christmas gift and she loves it. Highly recommend.

My son is playing out of it now. He was excited to play something fun. Bought the same book for other instruments as well.

I really enjoy this book. It is nice to know that I can play Disney songs on my trombone. Plus, it is extremely fun to play favorites like Circle of Life, Beauty and the Beast, and God Help the Outcasts.
