John Traupman is an Emeritus Professor of Classics at St. Joseph's University. He is also belong to the Latinteach list, which allows him to stay abreast of the latest developments in the field and also keeps him up-to-date and the needs of teachers and students.

This was a present for my husband. He said he wishes he would have learned Latin in school, now trying to catch up.

No problems at all, nice product, cheap

It has the information I needed including how to pronounce the words.

It's clear, concise, and quite complete.

My son is in his 3rd year of High School Latin. He has yet to stop singing the praises of this publication. He saw his grade go from 3.8 to 4.0. His instructor was very pleased he has this book. The instructor encouraged the entire class to purchase this exact same volume!

Nice Latin to english dictionary.

My son likes this and has a 100 average in Latin

Good job
