When Angels Fall (WeHo Book 1)

Synopsis

Skyler Boch© survived the war, as well as a horrific crash that should have killed her and her entire crew. Now, every day she has to deal with the aftermath and the crippling PTSD thatâ€™s tearing her apart. Devin James is a wild child. Headstrong and beautiful, sheâ€™s a force to be reckoned with. Sheâ€™s drawn to Skyler in a way she canâ€™t explain and refuses to give up on her, no matter how much Skyler tries to push her away. Through all the love, loss, and heartache, she'll find that when angels fall, they sometimes need a little help to get back up.

Customer Reviews

I have all the books in the series and will review them as I read them. If the next 4 are as good as this first one, then I will be out of contact for the next several days as I binge read! This was amazing!!! I truly love Skyler and am so happy that she has Devin to help her---even if it took a while for her to allow it to happen. Ms. Hancock truly captures Sky's torment. Devin just wants Sky to open up so that she can know what Sky needs from her. It didn't happen quickly and took courage

from both ladies. The story was great and can't wait to start on the next one. If only real life would stop getting in the way of my reading!!!! Thank you, Ms. Hancock for a very beautiful read.

This book was absolutely amazing. It took me a little bit to get into it but, it turned out to be an outstanding book. The writer did a fabulous job relating the characters and hitting you with what the members of the military family go through and putting PTSD into the lime light where it needs to be! Excellent book!

This is the first book I have read by this author and I loved it. I read it cover to cover without stopping, staying up way too late at night. I truly felt for all the characters involved in the main plot and found myself rooting for Skyler and Devin's relationship. A very touching story. Well done.

I enjoyed reading *When Angels Fall*. It is very well written. The two lead characters are strong, intelligent women. As in most novels, they are both beautiful. I enjoy reading about women who are or were serving in the military. They deserve a lot of credit and recognition for their service. The novel is a bit cliché w/ the war vet still struggling w/ bad memories and the beautiful, successful business woman wanting to rescue her. But overall an enjoyable read.

When Angels Fall is a beautiful story of how the power of love can heal. Skyler Boche' had a tough life growing up, but it was her demons from the war and the helicopter crash that was going to be her undoing, until Devin James entered her life.

Really enjoy this series characters are very well developed and very likeable. Story kept my interest from the first page to the last. This book will make me cry at the bad things about what happens in war and what veterans have to live with when they come home. But there is also the love story which is very sweet. I highly recommend this series

This is a sweet love story but there is more to it than that. It deals with PTSD in veterans as well as some other traumas that are difficult to read about. In the end, it's about persevering in spite of evil and finding love and the joy to live again. I thank God for all our veterans and wish blessings on all those that are still struggling.

I've read a couple of Sherryl Hancock's books and I really enjoyed them, and this book was just as

enjoyable. Actually, I think I enjoyed this one a little more. Skyler is carrying around a whole lot of baggage left over from the war, but Devin is bound and determined to see her through it. After all, isn't that what love is all about!
