Wallpaper* City Guide Amsterdam

Synopsis

The fast-track guide for the smart traveller. Your passport to global style, *Wallpaper** City Guides present an insider's checklist of all you need to know about the world's most intoxicating cities. Under slick Pantone covers, these pocket-sized travel bibles unearth the hippest nightlife, the buzziest hotels, the coolest retail, the most influential art galleries and cultural spaces, the best in local design and the contemporary architecture that defines a city.

Customer Reviews

'The answer to every short-breaker's dream. The jewel-coloured guides look beautiful and are exquisitely designed.' The Times 'Gorgeous photography, sharp graphics, and design-savvy, waffle-free text, written by city insiders rather than bearded backpackers.' The Independent 'Glamorous, global and affordable.' Telegraph magazine 'Packed with insider knowledge and eye-catching photography.' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' Time Magazine 'Sophisticated but simple.' The New York Times 'Small, stylish and beautifully illustrated, the *Wallpaper** City Guides make everything else look old hat. ... The photographs and maps are superb.' The Sydney Magazine --This text refers to an out of print or unavailable edition of this title.

*Wallpaper** City Guides are compiled by the magazine's travel experts, in-house editors and on-the-ground correspondents who are part of the local scene, providing under-the-radar insider recommendations.

This booklet fits into a pocket, extract it and thumb through as you wait for your pankoeken breakfast. Think of an interest, or a need, for the day (or evening) and you will find something here that will surprise and delight. Neither a "best of" nor a "see every wonder" compendium, it's a rich source for modern Amsterdam and those items selected for inclusion.

Thin, light and right to the point. There is info in this book, but not much of it. I don't like guidebooks to begin with so a light, easy to pin down one like this is passable. You won't find most thins, but the stuff that is in here is decent or better - it has very select information.
