## Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.

quick shipping. condition great as advertised. easy transaction. used the map on a trip and it came in very handy. It clearly showed all parts of the island and was portable.

Served it's purpose for marking where we went on our trip. We didn't try to navigate by it, so unsure how well it would do for that
