gift for an elderly neighbor...she loves the faces to color, not just designs.

Very nice to color I enjoyed the whole book.

There are so many beautiful dresses, can't wait for Volume 2

Great way to pass some quiet get-away time. Lovely designs.

my favorite adult coloring book

Purchased for Mom and she loves it

I really liked this book the only thing I didn't like was the dresses were cut off. You only got part of the dress I prefer the whole outfit

Ok for children ,but not what I expected for an adult coloring book.
