Lolita - The Story Of A Cover Girl: Vladimir Nabokov's Novel In Art And Design

Synopsis

What should *Lolita* look like? The question has dogged book-cover designers since 1955, when *Lolita* was first published in a plain green wrapper. The heroine of Vladimir Nabokov's classic novel has often been shown as a teenage seductress in heart-shaped glasses--a deceptive image that misreads the book but has seeped deep into our cultural life, from fashion to film. *Lolita - The Story of a Cover Girl: Vladimir Nabokov's Novel in Art and Design* reconsiders the cover of *Lolita*. Eighty renowned graphic designers and illustrators (including Paula Scher, Jessica Hische, Jessica Helfand, and Peter Mendelsund) offer their own takes on the book's jacket, while graphic-design critics and Nabokov scholars survey more than half a century of *Lolita* covers. You'll also find thoughtful essays from such design luminaries as Mary Gaitskill, Debbie Millman, Michael Bierut, Peter Mendelsund, Jessica Helfand, Alice Twemlow, Johanna Drucker, Leland de la Durantaye, Ellen Pifer, and Stephen Blackwell. Through the lenses of design and literature, *Lolita - The Story of a Cover Girl* tells the strange design history of one of the most important novels of the 20th century--and offers a new way for thinking visually about difficult books. You'll never look at *Lolita* the same way again.

Customer Reviews

A very interesting book.

Fabulous book!

as a design student..and a lolita obsessed dude this book is very cool.
