Reason And Responsibility: Readings In Some Basic Problems Of Philosophy

Synopsis

REASON AND RESPONSIBILITY: READINGS IN SOME BASIC PROBLEMS OF PHILOSOPHY, 16th Edition, has a well-earned reputation for clarity and breadth, with a selection of high-quality readings that cover centuries of philosophical debate. The anthology covers the central issues in metaphysics, epistemology, philosophy of religion, philosophy of mind, and ethics, as well as debates over the value of philosophy and the meaning of life. The book is clearly organized: the readings complement each other, guiding you through contrasting positions on key philosophical issues. Clear, concise introductions provide reading tips and background information to help you engage directly and meaningfully with the primary sources.

Customer Reviews

Joel Feinberg (Professor Emeritus, late of University of Arizona) was widely recognized as one of America's leading political and social philosophers. Acclaimed both for his ground-breaking scholarship and his exemplary teaching skills, Feinberg published widely on topics such as individual rights, legal theory, capital punishment, the treatment of the mentally ill, civil disobedience, and environmental ethics. Before joining the University of Arizona faculty, he taught at Brown, Princeton, and Rockefeller universities. Feinberg was awarded a Fulbright Scholarship in 1987-88 to work in Japan and served as chairman of the National Board of Officers in the American Philosophical Association in the mid-1980s. Some of the royalties from Reason and Responsibility have been used to establish the Regents Professor Joel Feinberg Dissertation Fellowship in Philosophy at the University of Arizona. Russ Shafer-Landau received his Ph.D. from the University

of Arizona and currently teaches at the University of Wisconsin-Madison, where he focuses on ethical theory and philosophy of the law. He is the author of THE FUNDAMENTALS OF ETHICS; MORAL REALISM; A DEFENCE; AND WHATEVER HAPPENED TO GOOD AND EVIL? He also serves as series editor for Oxford Studies in Metaethics.

For a textbook, it's really good. It's not dry. It is made of short essays and it does not go into too many details. It just gives the information. Weirdest textbook I have every read.

The rental item itself was noticeably used on the outside and somewhat on the inside as well. The textbook itself had some interesting readings and was helpful in learning about the basics of philosophy.

MY FAVORITE BOOK OF 2016----LOTS OF ABSTRACT NEAT ARGUMENTS THAT LEAVE THE SIMPLE AND MUNDANE SUDDENLY SEEMING ABSTRACT, COMPLEX AND ESCAPING ANY SIMPLE APPLICATION OF "PASSIVE" LOGIC THAT SEEMED SO EASY TO PRACTICE BEFORE YOU READING THE FIRST ENCOUNTER.....:) IT'S A MASTERPIECE!!!

First 30 or so pages must have gotten wet...pages were crumbly and folded over.

Shipped quickly and is in good quality. Thanks!

"Text not available due to copyright restrictions" is the message you get for half the articles in the book. If the publisher is going to do half a job as poorly as this, they should at least have the decency to lower the price, or at least put a warning on the page, letting the customer know *which* articles are missing.

Good quality

good for class.
