Naruto: Sasuke's Story: Sunrise

Synopsis

Sasuke, ally and friend to Naruto and brother to Itachi, hits the road to find the root of the evil Itachi faced in this sequel to Itachi's story. A new series of prose novels, straight from the worldwide *Naruto* franchise. *Naruto*'s allies and enemies take center stage in these fast-paced adventures, with each volume focusing on a particular clan mate, ally, team or villain. The Great Ninja War has ended, but to untangle the mystery that remains, Sasuke sets out on a journey—a journey that he hopes will allow him to atone for his sins. During his travels, those ninja faithful to the avenger Sasuke bring about tragedy. Meanwhile danger closes in on the villages of Konoha, Kiri, and Kumo, where red eyes burn with hatred. What is the future Sasuke stares down?

Author/artist Masashi Kishimoto was born in 1974 in rural Okayama Prefecture, Japan. Like many kids, he was first inspired to become a manga artist in elementary school when he read *Dragon Ball* by Akira Toriyama. After spending time in art college, he won the Hop Step Award for new manga artists with his story *Karakuri*. After considering various genres for his next project, Kishimoto decided on a story steeped in traditional Japanese culture. His first version of *Naruto*, drawn in 1997, was a one-shot story about fox spirits; his final version, which debuted in *Weekly Shonen Jump* in 1999, quickly became the most popular ninja manga in the world. The series would also spawn multiple anime series, movies, novels, video games and more. Having concluded the series

in late 2014, Masashi Kishimoto has kept himself busy this year with the sidestory *Naruto: The Seventh Hokage and the Scarlet Spring* and writing the story for the latest *Naruto* movie, *Boruto: Naruto the Movie* both of which will focus on the title character's son, Boruto.

I enjoyed reading this light novel. I'm a huge *Naruto* fan, and to continue reading these stories is great. In reading this particular story I learned so much more about Sasuke's character, more than you get from the manga. I would have loved to give this book 5 stars, but unfortunately there were some typos throughout the story. There must have been some issues in translating from Japanese to English, and the individuals translating never followed the series. I was already 15 pages into the story when I came across the first mistake. I just finished "Sakura's Story" and had similar problems in the story. I had to keep re-reading the passages to have them make sense, and make the correction in my head. Once I got past those few instances it was a fantastic read

Great story for any *Naruto* fan. I love the way that this series turned out, can't wait for *Boruto*! I want to read more Sasuke!

...but my 11 year old is, and he loves this book. He couldn't put it down, so I think it's definitely worth the purchase... Especially for all the Uchihas out there! ;)

Great read! Sasuke is my favorite character from the *Naruto* series, and I flew through this on my trip to Chicago. Absolutely recommend it for those that enjoy Sasuke!

It was great to see how awesome the fights were in the novels compared to the anime adaptation. They really held their own....and the connection of Chino's Human Bomb Slaves and the White Zetsu.....AWESOME!!!!Karyu's scene was a lot better as well!

Very nice and speedy delivery!

awesome worth the read!!

Love it! huge fan of Sasuke Sakura and this book fulfills that. There are some typos but you can understand the story.
