Winning Answers To Job Interview Questions For Aspiring Managers And Executives: Successful Skills Preparation Tips For Management Positions

Synopsis

Your management interview is coming up. Nail it! You've worked hard to move your way up the corporate ladder. Now that you have a chance to be a manager or an executive, the pressure is on to show your superiors you have what it takes. Your work and your work ethic are strong, but past performance isn't enough to win you the job. Your new position depends on your ability to answer a new set of questions. — Author Lavie Margolin has worked with hundreds of hiring managers, so he knows both the questions and the answers. While you're used to questions about yourself and your work, next-level interviews will probe your ability to lead, delegate, and meet organizational objectives. You'll have to answer big picture questions and gain the confidence of top executives and the board of directors. Thankfully, Lavie has got you covered. *Winning Answers* teaches you not only the questions you can expect to receive but also why those questions are being asked. By reading the book cover-to-cover, you'll learn effective answers that will take your interviewing ability to the next level. Listen to Lavie. He'll make you comfortable from the first handshake to your first day in your new corner office. *Winning Answers* is a crisp, clean, must-read for job seekers. An insightful career guide, this book is invaluable for employees looking to take the next step. Employers love author and noted career coach Lavie Margolin because he always sends them polished job seekers who are up for any interview challenge. Buy the book today and let Lavie work his magic on your career!

Customer Reviews

Good read!Highly recommend for aspiring and current executives.

Very good book to start your practice. Contains why the questions is being asked and sample answers - very helpful...

Good read

Whenever looking for a new job, promotion or salary increase, Lavie Margolin is the first person I look to. He once again goes over some excellent questions and answers to review to help you that adds to what he has said in previous books by the same author

This little book is a must-read for job seekers (and employers!) of all career levels. Mr. Margolin addresses the very issues that can make or break an interview. His insights are invaluable and he presents them in a crisp. clean, easy-to-read manner. Do yourself a favor and read this gem before your big interview.

As with their other collaborations, if you're not starting here, you're already looking wrong. Even if you don't think you need "Winning Answers to 500 Interview Questions" because they "don't all apply to you," Lavie and Rachel have expertly excerpted the questions you need to focus on and zero in on for your Managerial searches and hunt.Why are you still reading this, when you could be 1-click purchasing?
