Steve Hall co-authored *Titanic in Photographs* and contributed to *Titanic: The Ship Magnificent* and *Titanic: A Centennial Reappraisal*. Bruce Beveridge co-authored *Titanic or Olympic: Which Ship Sank?* with Hall, and was the lead author for *Titanic: The Ship Magnificent*. He lives in Florida.

I did not like it. I love the history of the Titanic I thought this product would give me wonderful pictures of inside the ship as it stated. It was a smaller book than regular size coloring books first off, and about half the pages are of different aspects of the outside of the ship. The other half were pictures of the inside, but the pictures were very badly drawn, and details were small and the drawings were in most cases undefined. I should have taken a picture of a few pictures so I could post them for you to see, but I was anxious to return this and get my money back so I could buy something more to my liking. If you are a Titanic buff like me, don't bother. This is not well done at all.
