Customer Reviews

Fodor's travel books always good.

The book was in perfect condition and very helpful on our vacation. But Fodor is best for travelers with money.

Usually love Fodor's but Kindle version was hard to navigate when travelling. We did not require accommodation information so perhaps this was not the best choice for or needs

Lots of good information, looking forward to seeing the real thing next year!

In good condition. Excited about this to plan New Zealand trip.

Way behind in the information.

Exactly as expected. Fodors is consistently good.

Excellent and really helpful on our recent trip to NZ.
