Customer Reviews

This book is precious. Evelyn Garfiel, takes the reader through Shacharit, Minchah, and Ma'ariv with great skill and erudition. If you are in to gender inclusive language don't buy this book. She writes in the old traditional style using masculine nouns and pronouns.

This extremely readable text guides both beginner and professional through the process of making a Jewish service a meaningful experience. Emotion, intellect and ritual are treated equally to give the reader a blueprint for a specific service and insight into why the services are arranged as they are.

shallow

Great job! The item ordered came in the condition that was stated and it was mailed and received quickly. Thanks for the great service. Terry

Evelyn Garfield captures the essence of Jewish worship in this book. Although it was written nearly fifty years ago, it is as fresh now as when it was first published. Garfield is well versed in the matter

of Jewish prayer, and her love for the subject matter shines through every page. This book is a must read for anyone considering conversion to Judaism, or those who really want to understand the how and why about Jewish prayer. It will add meaning to your worship experience.

This book describes the basic order of the Jewish prayer service, and gives historical background on its evolution. The language is clear and engaging. Best of all, the author's love for the topic shines through on every page. Garfiel calls the service an expression of the "everyday mysticism" of generations of rabbis, and manages to convey this feeling through the quality of the writing.
