Each day, Dr. Ronnie Floyd and his ministry can be seen internationally through his television ministry, *Winners*. He is a gifted communicator, leader, pastor, and author of 18 books. He is a featured speaker in various conventions and conferences across America, as well as the visionary founder and major leader of The Summit Business Persons Luncheon in Northwest Arkansas that reaches hundreds of leaders weekly. Pastor Floyd and his wife, Jeana, will be married for 30 years in December of 2006. They have two sons, two daughters-in-laws, and one grandchild. Jeana, Josh, Nick, Kate, Meredith, and grandson Peyton, serve as his richest treasure on this earth other than his relationship with Jesus Christ.

Good read, Any person in ministry should read.

Very insightful and inspiring for those who are in ministry. It is and can be a helpful tool in your walk and purpose

I purchased this book for my husband who has been pastoring for the past 18 years and HE absolutely LOVES it. He rarely reads any materials other than his Bible and books written by Watchmen Nee. The author did a wonderful job and outlining the basics of ministry which leads to success which does not include "techniques" but rather sound biblical wisdom

Loved it

good.

Every person in ministry ought to have this treasure. If you are new in the ministry, this should be a must have. I would suggest purchasing this even if its not read until later. At some point, you will need to be reminded that ministry should have a balance. This will help find the balance. If you following the directions, you can keep the balance.

This is a great book that every Pastor should not only read, but re-read and give copies to all those you are mentoring in the ministry. Great, practical advice on the basics that none of us need to forget and all of us need to be reminded about.

Read it, re-read it and give copies to other ministers as gifts. Here is an opportunity to get intentional with yourself and your ministry.
