Customer Reviews

This product is a staple for any Torts Class! My only complaint, if you can call it that, is the print is so small.

Book was wrapped but cover was slightly dented and paper wrap was torn.

Goldberg and Zipursky have a beautiful writing style and they are THE GUYS for torts.

Brand new and arrived quickly!

Maybe I'm biased because my professor is the author but this casebook is clear, well-organized, poses interesting questions, and Torts is probably the only class where I understand what is happening.
