Men Of The Bible: A One Year Devotional Study Of Men In Scripture

Synopsis

Men of the Bible takes a close-up look at fifty-two men in Scripture—complex flesh-and-blood characters whose strengths and weaknesses often seem strangely similar to our own. Heroes and villains, sinners and prophets, commoners and kings . . . their dramatic life stories provide us with fresh perspective on the unfolding story of redemption. Though our culture differs vastly from theirs, the fundamental issues we face in relation to God and the world remain the same. We still reach for great dreams and selfish ambitions. We wrestle with fear and indecision, struggle with sexual temptation, and experience the ache of loneliness and the devastation of betrayal. And, like many of these men, we long to walk more closely with the God who calls us into an intimate relationship with himself and who enables us to fulfill his purpose for our lives. Men of the Bible offers men and women today a unique devotional experience that combines five elements. Each week becomes a personal retreat focused on the life of a particular man: Monday: His Story—a narrative retelling of the biblical story Tuesday: A Look at the Man—focusing on the heart of the man and how his story connects with your own life Wednesday: His Legacy in Scripture—a Bible study on principles revealed through the life of the man Thursday: His Legacy of Promise—Bible promises that apply to his life and yours Friday: His Legacy of Prayer—praying in light of his story Designed for personal prayer and study or for use in small groups, Men of the Bible will help you make Bible reading a daily habit. Whether you dip into portions or read every page, this book will help you grow in character, wisdom, and obedience as a person after God's own heart.

it is great for a bible study. it is interesting to learn about the men in the bible. even though we are a women's group we had studied the women so we wanted to know about the men.

Men of the Bible a one year devotional study. Is a great book for small group, and bible studies thanks!

I like it. It is not someone reading the Bible word for word. It would be like your mom or dad telling you in their own words about the great men in the Bible. It gives good reference to the stories in the Bible if you want to read more about them. It has caused me to want to go back and read the stories from the Holy Bible that I have read time and time again.

This devotional study brought all the men in said book to life. Some I knew of, other's I did not.

This is the second time I'm working through this devotional. I really enjoyed the author's description, taking a little license to paint a picture of each man.

I am using this book as a guide to lead our women's group at Church. Everyone has enjoyed the lessons from the book and I've found it easy to prepare my lessons.

Great devotional study book. nice story's about men in the Bible. references with each story. a great way to start every day. thanks, rod

Hubby loves it!
