James Patterson has had more New York Times bestsellers than any other writer, ever, according to Guinness World Records. Since his first novel won the Edgar Award in 1977 James Patterson's books have sold more than 300 million copies. He is the author of the Alex Cross novels, the most popular detective series of the past twenty-five years, including Kiss the Girls and Along Came a Spider. He writes full-time and lives in Florida with his family.

My son loves this series. He kept asking for the whole set of of these manga books. I really did not know what a manga book was until he showed these books to me. I can't even count how many times he has read this book. Maximum Ride Volume 2 written by James Patterson is one of his favorites. He has all 5 volumes.

Part of the James Patterson, Max series. Perfect read for a teenager BUT not for a child. Violence issues prevent me suggesting it for children under 14 but Ass an adult/child my husband love them!

I liked it, it was nice. Things need to be nicer in life. Nice is a nice vocabulary word. -one of the 3
