Synopsis

The first book to be released in the series, *I AM A PRETTY LITTLE BLACK GIRL!* is a celebration for little Black girls in all shades and hair textures, with an introduction to the lead character *MIA*. With all of her delightful and talented friends, Mia shares fun, good manners and the idea of a future filled with brilliance! *MIA* is the main character and her friends are KIA, KEISHA, CHARLOTTE, DINA-ROSEMARIE, IMANI, ANNA, RUBY, and TRACEY. All of the girls are a representation of the many beautiful shades that make up various colors of people in the Black population worldwide. This book was created out of the need to see little Black girls all over the world starring in a bright and colorful book with their own story that celebrates them with love and shows them a mirror to themselves with self-appreciation. The rhyming, lyrical story and illustrations are designed with heartfelt emphasis on the importance of letting little Black girls know and accept the belief that they ARE pretty “just as they are”, without looking outside themselves to become an idea of beauty created by outside influences that tend to exclude the lovely regal qualities that represent Black females globally. It seems a simple idea, but the loving effects of positive reinforcement for girls about the acceptance of who they are have a profound and resounding effect not only on themselves, but on those who are in their lives. So, let’s rally around our girls. Let’s show them a joyful and self-respecting representation of “pretty”. Let’s show them that this book that is created with love and respect just for them. Let’s help them to through the power of love and education to become the amazing women they can be by beginning the journey early, with the use self-appreciation to change their lives and ultimately..... Let’s help our girls to change the world

The message about having pride and confidence in brown skin and hair that goes 'every which-a-ways' is important -- Publisher's Weekly

Betty K. Bynum is an actress, writer, singer / songwriter and entrepreneur. She wrote I'M A PRETTY LITTLE BLACK GIRL, and has 3 more books ready: I'M A LOVELY LITTLE LATINA (Fall '15); HOORAY! I'M A GIRL IN THE USA! (Spring '16); I'M AN AWESOME ASIAN GIRL (Fall '16) in a planned 12 book series. She created apparel for girls and is currently working on a line of Madame Alexander dolls based on the lead characters in each book title of the series.

I purchased this book for my granddaughter whom I believe is having a few self esteem issues. She is very dark and slightly larger than some of her friends. I wanted to cut the stop the bad impression she had of herself early. The book was a great help, beautifully illustrated and valuable. I am also giving copies to other girls.

This is a WONDERFUL, colorful, fun, and productive book for children. I have used it to build self-esteem with my client. The kids enjoy reading and having this book read to them. The book identifies several aspect of "pretty", including being respectful and a good friend. I highly recommend it. As a matter of fact, I am purchasing more copies to give as gifts to my clients.

This is a wonderful book for girls of all ages. I have purchased seven (7) so far to send to my nieces in Tennessee. I even have my own personal copy which the author so graciously autographed for me.

This book has a great message. Reminds me of my little girls!!! They thought it was great. my 2, 10

and 11 year old girls thought it was pretty special. They are all very different but this book made them feel like the book was written just for them! Highly recommend and nice enough to gift. My daughters are black/white and I love how this includes ALL SHADES, shapes, sizes. Just BC they are light skinned I don't want them to feel any less black or proud to be. This book made them feel really special.

Affirmation in the most beautiful way. What I love about this story is that it is not egotistical. It is a story of one young lady who knows her worth so she can affirm the beauty in the diverse black friends in her circle. The author writes in a way that unfolds in rhymes and positivity. The features and beauty of black girls- all shapes, sizes, and shades is praised. I am so glad I bought this book I ordered it again for a friend. It is a celebration of us! Any woman of color at any age will love this book! Read on!

My 3 year old LOVES this book. I like it because the little girl featured is so whimsical and silly just like a real kid without being syrupy sweet like many other books for this age child. The book promotes self esteem, cooperative play, as well as loving and supporting your friends. This is a good book to affirm little black girls of all hues. Good stuff.

This my second purchase of this book. My daughter's love this book. I bought another copy to read to my kindergarteners. The story helps students of color relate to other characters in a book. It helps affirm them and their self-esteem. I would recommend it for all students regardless of race.

This book is wonderful. It is great for my daughter to celebrate how she looks and that it is okay that she is half black and different than her mama. It is so nice that Madame Alexander made a doll of the book and I was able to get that also. I can't wait to give it to my daughter.... Again, to celebrate her!
