Sloth Wisdom (mini Book)

Synopsis

There's a lot to be said for taking life a little easier, like our sloth friends do. As Mahatma Gandhi once said, "There is more to life than increasing its speed." In rest, we find replenishment, and sometimes those leaps of brilliance that come only when we're relaxed and open to them. So, to quote Sylvia Boorstein, "Don't just do something, sit there." And kick back with this little book of quotations from sages of slow, from Shakespeare to Charles M. Schulz, from Aesop to Maya Angelou. Charming illustrations of sloths throughout. Adorable mini book comes with cute 24K gold-plated charm, which may be kept on the ribbon bookmark or worn on a bracelet or necklace. 80-page full-color hardcover mini book with dust jacket. Invitingly priced! Book measures 3-1/4 inches wide by 4 inches high.

Peter and later, his wife, Edna sought to create fine books that sold at prices even a pauper could afford. Today, still family owned and operated, Peter Pauper Press continues to honor our founders' legacy and our customers' expectations of beauty, quality, and value. Super cute but tiny! Love the words of wisdom.

Kids (and parents) loved it...

I got this (tiny) book for my coworker who loves sloths and she absolutely loved it.

Happy niece.

Great book.

Purchased it for my girlfriend as mostly a joke gift (but something to lift spirits) and she loved it. Cute little book, and an inexpensive purchase that could bring some light into someone's life.

Very small book Perfect for an add on gift but NOT a single gift to give someone.

I gave this darling book to a friend who is very high strung (she knows it). She loves the book!
