GREAT PRODUCT

This book is much different than any of the other color books that I've seen on the market so far. I purchased this particular book as a gift for my brother-in-law's birthday because he came to Christ recently in life and would enjoy something like this that is catered to man but is also a gift that's a bit different and creative. All of the pages are one-sided so that is you want to frame or hang up one of the pictures you don't have to worry about having to choose which side you want facing the wall and which side you want everyone to see. Because of this the color books are also much thicker than most coloring books I've seen. They provide a lot of different verses that all come in a picture form. So it would be a beautiful thing to be able to color these and then hang them up so that you have a beautiful reminder of each verse provided in these gorgeous pages. All the same these verses are still very manly while still being beautiful so it is a wonderful book for men or boys. If you have any additional questions about this product that you haven't found answers to please don't hesitate to send a message and ask me. I would love to help in any way I can. I also want to disclose that I did receive this product at a discount in exchange for my honest and unbiased review of it. Please know that I have no personal or professional relationship with the seller of the product, and am under no obligation to provide a positive review. I buy items at regular and discounted prices. Each time I do, I research every product thoroughly to make sure I don't get swindled. I rely heavily on reviews from others when purchasing items online, so when I write reviews I want to be as helpful to you as you are to me.
