A Guide To Gender (2nd Edition): The Social Justice Advocate's Handbook

Synopsis

The first edition was featured as #1 best-seller in Gender on , and is being used by gender studies & sociology professors on 3 continents. Now with a new foreword by the author, brand new chapters, fixed typos, and more gender! 100% of royalties from this edition go directly to Hues, a global justice collective. Where do we start, when it comes to learning about something that's everywhere, infused into everything, and is often one of the primary lenses through which we see ourselves and others? When it comes to understanding gender, it's best to begin with deep breath, then with section one of this book by social justice advocate Sam Killermann, who uses clear language, helpful examples, and a bit of humor to help the medicine go down. This book is not overwhelming, it's not overly complicated, and it's not exhausting to read. It is a few hundred pages of gender exploration, social justice how-tos, practical resources, and fun graphics & comics. Sam dissects gender using a comprehensive, non-binary toolkit, with a focus on making this subject accessible and enjoyable. All this to help you understand something that is so commonly misunderstood, but something we all think we get: gender. A Guide to Gender is broken into four sections: Basic Training (which sets the foundation of knowledge for the book, defining concepts of social justice, oppression, privilege, and more); Breaking through the Binary (beginning with a discussion of gender norms, and working toward a more nuanced understanding of gender identity, gender expression, and sex); Feminism & Gender Equity (how feminism can be a solution to the injustices folks of all genders face); and Social Justice Competence (a series of short, practical lessons that will help readers put the learning from the book to work). It's written for people who want to learn for themselves, educators who are hoping to better communicate themes of gender to others, and activists who want to add a gender equity lens to their vision of justice. It's not meant to be the end of one's journey into understanding gender, but a great place to start. Because gender is something we all deserve to understand.

Sam Killermann is a multi-disciplinary artist who puts his gifts to work to achieve global justice as the Director of Creativity for hues. Sam is also the person behind It's Pronounced Metrosexual, the comedy show performed at colleges and universities, as well as the online resource, which has educated millions of readers on themes of social justice, gender, and sexuality. Killermann's work (that he uncopyrighted in 2013) has been downloaded by hundreds of millions of people around the world who utilize it to bolster their educational and advocacy efforts toward equity. His version of the Genderbread Person, a model for understanding and teaching gender and sexual diversity, has been translated into over a dozen languages. In 2014, Sam designed an all-gender restroom sign that he gifted to the commons, which is now being implemented on three continents, is featured in the White House, and is becoming the standard for dozens of communities around the U.S. and world. Sam is the author of A Guide to Gender, which is an exploration of gender from a social justice perspective, with humor and comics sprinkled in. The book opened as the #1 bestseller in gender on , and as a reflection of Sam's commitment to access as a core social justice value, he's given away over 15,000 copies of the book. He gave a well-received TEDxTalk that has over 200,000 views called Understanding the Complexities of Gender, where he distilled the themes of the book into a few minutes of fun, energetic, and easily-digestible speech. Sam is the co-creator of TheSafeZoneProject.com, a free online resource for LGBTQ and Ally training materials. The open source curriculum they published is being used by over ten thousand educators in at least 100 countries. Outside of his key initiatives, Sam is a frequent keynote speaker, serves on the Board of Directors for Healthy Teen Network, is the comedy half of S.E.X., head elf at Socially Just Cards, and is always dreaming up new social good projects. When he's not on the road, he likes to spend at least a few hours a day bicycling around sunny Austin, TX, where he counts himself lucky to live.

Wonderful book for our family to learn about acceptance.

Excellent

An absolute MUST read for anyone and everyone who wants to better understand themselves and the people in their community. Excellent!

Gender is much more complicated than most people understand. Sam Killermann gets it and explains it well. In addition, he connects all aspects of social justice. I have purchased dozens of copies to give to others. I believe this book is that important.

This was clear, concise, humorous and informative.

I really enjoyed the way that Sam Killermann tackles a very serious and important subject with good humour and balances thought.

I discover Sam online because of his "Gender bread Person" I enjoy the humor he brings to this very "controversial" subject (I don't see why it should be controversial). An excellent read for for anyone trying to find themselves, or trying to understand someone who doesn't fit societies molds.

Great shape, thank you!
