Perfect looks brand new thank you.

GREAT

GOT THIS FOR MY BROTHER

great

I received this product just as described. It was in almost new condition and no writing on the pages.
Great buy for a used book!

This is a law book. If you want to know exactly what the commercial code says this is the book for you. Get it with a law dictionary you will need it but it is invaluable to understanding commercial transactions.

I have yet to crack the book, but I've heard it is a thorough book with a lot of information.

Thank you... great condition!!
