Book by Allan Phillips, Joe Marshall, Gale Monson

First of all I am not a book collector. I bought the book for a present to my wife. When the book arrived I had to remind myself that I bought a new 30 plus year old book and it must have been looked through by more than a few people. I was disappointed in the book's condition for \$90 I thought it was a little rough. My bad I wanted it to be special and perfect.
