FABRIZIA VILLA was born and raised in Milan, Italy. After completing her studies and living in the USA for several years, she contributed to a number of Italian tourist publications, thereby transforming her passion for travel into a career. As a professional journalist, she has worked for more than 20 years for one of Italy's major tourist magazines, writing on topics ranging from travel to wellbeing and lifestyle. She has a special interest in the evolution of the great cities of Europe and America. Fabrizia subsequently focused on interior furnishings, design, and cinema, always on the lookout for the new and different, the "elsewhere." After traveling through much of the world, she is now discovering the delights of Italy, including Milan, a city she loves to leave, but to which she always returns with immense pleasure.

Will definitely help in making plans.

I have lived in Milan and wished I had a book like this one. It has beautiful pictures and detailed maps. A must have for a trip to Milan. I want to find the other books for different cities.

Easy to use.
