The Sagebrush State, 4th Ed: Nevada's History, Government, And Politics (Wilbur S. Shepperson Series In Nevada History)

Synopsis

Nevada's politics have been formed in large measure by its turbulent history and harsh environment. Bowers' concise volume explains the dynamics of this process, which is strikingly unique among the fifty states. This is a readable and insightful explanation of how Nevada's history has formed its political culture, and how its government works today. The Sagebrush State includes the full text of the state constitution, with extensive annotations of all amendments to the original 1864 document. The Sagebrush State serves as a text for the study of Nevada's history and constitution, which is a graduation requirement at the state's colleges and universities. The fourth edition of this work is updated through 2012 to include information on the elections of 2010 and 2012 and recent controversial sessions of the Legislature.

Customer Reviews

"This is a volume that would be a worthwhile addition to the bookshelf of anyone looking for a reliable reference work on Nevada government and politics."

"This concise work explains how Nevada government actually works and how the area's history has shaped its political culture."

"A 312 page compendium providing an analytical overview of the state from its inception down to the present day. A seminal work of impressively detailed and documented scholarship, The Sagebrush State: Nevada's History, Government, and Politics is very highly recommended and instructive reading for students of Nevadan history and would make an important contribution to academic library American History

and Political Science reference collections." â "The Midwest Book Review

Michael W. Bowers is professor of political science and public law, and former Senior Vice Provost for Academic Affairs and Executive Vice President and Provost, at the University of Nevada, Las Vegas. He is the author of *The Nevada Constitution: A Reference Guide* and numerous academic articles on politics and law.Â

I read this book for class and it was pretty easy to read through. Chapters go fairly fast and it's interesting enough that it's almost enjoyable at times. Learned a lot and would recommend for anyone interested in Nevada.

Worked perfectly.

The textbook came in great condition. It is exactly the book the profesor wanted their students to have!

Great read!

If your professor requires this book I 100% recommend you buy it and read every chapter. It's an easy read and you'll pass with an A for sure.

I liked his writing style, he managed to keep my attention through the whole book.

Very comprehensive and interesting. Read the book and you will pass PSC 100.

somewhat worthless purchase, sufficient for history buffs, barely adeqÃcÂ Âuate for a history/politics class.
