There's something to be said for a book that makes you wish you'd been part of a poor immigrant family living in New York's upper east side on the eve of World War I. Sydney Taylor's time-honored classic does just that. Life is rich for the five mischievous girls in the family. They find adventure in visiting the library, going to market with Mama, even dusting the front room. Young readers who have never shared a bedroom with four siblings, with no television in sight, will vicariously experience the simple, old-fashioned pleasures of talk, make-believe, and pilfered penny candy. The family's Jewish faith strengthens their ties to each other, while providing still more excitement and opportunity for mischief. Readers unfamiliar with Judaism will learn with the girls during each beautifully depicted holiday. This lively family, subject of four more "all-of-a-kind" books, is full of unique characters, all deftly illustrated by Helen John. Taylor based the stories on her own childhood family, and the true-life quality of her writing gives this classic its page-turning appeal. (Ages 9 to 12) --This text refers to the Library Binding edition.

Gr 3-6-Five young sisters experience life in New York's Lower East Side at the beginning of the 20th century in this reading of Sydney Taylor's story (Follett, 1951). The close-knit group encounters everyday realities such as boring chores, missing library books, and trips to the Rivington Street market, as well as those details which bring the early 1900's to life--scarlet fever, peddlers, and bathing at Coney Island. Woven into the story are the traditions and holidays of the Jewish religion. The girls celebrate the Sabbath with Hebrew prayers, and dress up for Purim so they can deliver baskets to friends and relatives. Suzanne Toren delivers flawless narration, using different accents to distinguish between characters of various cultures and backgrounds. Her intonations and pacing ably reflect the actions and emotions of the characters and fully convey the warmth and humor of the story. This excellent audiobook will find an eager audience in schools and public libraries which need materials reflecting the Jewish culture or serve children who enjoy family stories such as *Little Women* and *Little House on the Prairie*.--Paula L. “All of a Kind Family” is a wonderful series of books that I read when I was a child. The books are about a Jewish family living in New York City in the early 1900s. The family has five children, and the books follow their lives as they grow up. The books are written in a simple, easy-to-read style that is perfect for young readers. I love the books because they show a family that is different from the one I grew up in, but they also show a family that is full of love and support. The books are a great way to learn about different cultures and families. I would recommend these books to anyone who is interested in reading about families and culture.

I read the whole series when I was a child, starting with All of a Kind Family, all the way to the last title. They were all fabulous. For the information of potential readers, the library mentioned in the first book, on East Broadway in NYC, is still there, a working library. If you visit NYC you can see it. The books present a picture of the way immigrants families worked hard to become Americans, just as they continue to today.

You will adore these. They are like a lovely, warm cross between the Little House on the Prairie books and the American Girl Rebecca Rubin stories, with a dash of Little Women. They follow the story of a Jewish family with 5 little daughters on the Lower East Side of NYC in the 19-teens, and they are full of wonderful detail about that time and place, including nice, accessible descriptions of Jewish holidays and foods that I am so glad to see in children’s literature.

This story is wonderful! It has superior wording and I love the joy it brings me. The adventures of All Of a Kind Family will never get old!
