## Customer Reviews

Cute sturdy little board book with a cushioned cover. The stories are very simplified and skip over the details of these stories that small children would not understand. Each story gets one page and a picture. The illustrations are fun. Bought it for a baptism so it'll be perfect.

My kiddo is 2 now and this has always been his favorite book to read. Short, but good stories with great pictures. Definitely recommend it!

I love the artwork and the rhyming bible stories. The colors are eye catching and vibrant, which is important in a kids book. This is definitely one of the better children's bibles I've purchased. The padded cover is good.

I purchased this for my Godson as part of his baptism present. The book is perfect. I love the board

book and his parents also loved the book. I can't wait to read him the stories as he grows up!

I would highly recommend this for little ones. A great book to read aloud to your children.

This is for twins yet to be born but I read through it and it is well done. I'm hoping that one day the boys will tell me the stories.

Bought this for my baby, really loved how they simplified the stories from the bible and making it more child friend and fun. Great illustrations for kids.

We ordered this for our sons's Easter basket. It's the perfect first bible to add to his library. It's much baby friendlier than the Bible stories we bought separately.
