Walt Disney presents Beauty and the Beast music song book.

This music book is great!! I think this is the best disney book i have gotten so far. The music in there is so fun and beautiful to play. This book is for an intermediate piano. The music sounds EXACTLY like in the movie. This book is a must have!!

This music is about at intermediate level. It is pretty true to the movie. There are some speaking parts in the music. If you are looking for music you can play as a solo piano then "Beauty and the Beast" is about it. Otherwise it's fun to play.

Very well done Great for an intermediate pianist. arrived in perfect condition

All songs should be playable by the intermediate pianist. Paper is high quality gloss and has color

images throughout. Song List: Be Our Guest Belle Belle (Reprise) Gaston Gaston (Reprise) The Mob Song Something There Beauty And The Beast

I love playing this sheet music! It is great for intermediate level piano. The songs are so fun!

Has all the classic songs you'll want to learn. Good quality for the price!

She was pleased with the music, wanted more challenging music

Beauty and the Beast is a classic, no doubt about that. The music has warmed the hearts of many a child (and adult) and continues to inspire today. This book has every song (non-instrumental) from the movie so fans can play more than "Belle", "Be Our Guest", and "Beauty and the Beast". Great arrangements (good for intermediate players) and lots of Disney fun!
