Psycome, Vol. 1 - Light Novel

Synopsis

Accused of a crime he didn't commit, Kyosuke Kamiya is sent to Purgatorium Rehabilitation Academy. Suddenly, he's surrounded by a variety of fetching lasses--each one a murderer! Worse, he's famous for being the "Dozen Demon," a killer responsible for twelve deaths! When the busty, gas mask-wearing beauty Renko Hikawa approaches him, the difference between death and desire becomes very narrow indeed. How is Kyosuke gonna graduate alive?

Mizuki Mizushiro is the author behind the Psycome light novels.

The premise sounded like it could be interesting but the book was just boring to me. I suppose if you are into the ethics of murder this might be more entertaining.

This Light Novel was in my opinion, a great find. Not only did I finish it in 2 nights (I'm not big on reading), but I was also able to envision the entire story as if it was an anime. The way the story is told is very well done to the point that I read it another time only 2 days later. If Mizuki Mizushiro ever needed funding for this project now or in the future, I would donate as much as I could spare to see how this story plays out.~Read Psycome whilst listening to slipknot

Great Romantic Comedy. The characters are enjoyable and there are tons of crazy things going on

this was a great read.

This was my first light novel and I really enjoyed it. The translations were pretty good and the images were amazing.

So I started out bying this book thinking it was a manga (LOL). I didnt read it at first because it was a normal book with some anime related pictures, but then I started reading it a couple hours later due to nothing to read. It was amazingly good and surprised me, and felt as though it was a manga but yet a book at the same time. Great book and love the characters (fav Renko)

For a first time writer, and this being his first product, it's well thought out and well written. Not a typical harem/hero story... and the setting is not often used. I look forward to

I'll just be in a corner waiting until the next release I guess. But seriously, it is pretty good for the age listed. This is definitely a teen read. I've just fallen in love with this series.

This book is gold...
