Customer Reviews

I've lived in TZ for 10 months now and I can say this book is an excellent overview of tourism

opportunities across the country. As for the structure, it's very well organized and easy to navigate. I enjoyed the smaller sections on Tanzanian food, music, politics, history, etc. Unfortunately, most people will only ever use half of this book. TZ is so huge, you just can't reach some of these places unless you have months. But I guess that's true of many guidebooks.

The book presents a good overview of traveling in Tanzania.

This is my go to book for my travels to Tanzania in 2016. Love the photos.

Excellent information. Good value.
