Eloise Wilkin (1904–1987) illustrated dozens of classic Golden Books in her long career. Famous for her instantly recognizable style, she provided the art for such books as *Baby Dear*, *We Help Mommy*, and the original Little Golden Book versions of *Prayers for Children* and *My Little Golden Book About God*.

Such a lovely little book. Trying to teach my 3 year old granddaughter about God.

I had this book as a child, and was thrilled to find a copy for my own daughter. This is a sweet book and I am so happy to share it with her!

Is thick like a board book doesn't look or feel like the traditional golden books, but illustrations are very pretty and the message is good

Having been read this little book by my mother, I purchased it for my grandchildren. They are still a

little bit young but will start reading it to them soon. The illustrations and language are still as beautiful as I remembered.

This book reminds us of so many things here on earth that come to us from God. The pictures are lovely. I highly recommend it.

Great book to teach little ones about God.

3 stars for page material- easily wrinkles and hard to turn while holding child

Beautiful drawings and the writings have a lovely rhythm when read aloud...very nice and peaceful for bedtime
