Creative Haven Patchwork Quilt Designs Coloring Book (Adult Coloring)

Synopsis

Blankets of splendid geometric configurations â ” drawn from time-honored patchwork quilt motifs â ” fill this festival of traditional folk art. Thirty-one designs offer endless coloring possibilities and will surely delight quilters, collectors, and colorists alike. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, Traditional Patchwork Quilt Designs and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress. Previously published as Traditional Patchwork Quilt Designs.

Customer Reviews

Carol Schmidt, who holds degrees in Art and English from Virginia Commonwealth University and Longwood University, worked as an educator for nearly 30 years. She is the creator of six Dover titles, including the bestselling coloring books Butterflies and Blossoms and Kaleidoscope Stained Glass Coloring Book.

This is a wonderful book in which 31 traditional patchwork quilt designs have been brought together in one book just waiting for you to add your own personal touch with color. So grab this book and

your crayons, markers or colored pencils, these timeless patterns will inspire you. These traditional quilt patterns are timeless and cross generations, they include common well loved quilts like the Maple Leaf, Log Cabin, and Mexican Star and less common patterns like Carpenters Square, Shoo Fly and Goose in the pond.¹ 31 illustrations printed one per page, (the back of each page is blank) on heavy weight bright white paper². Each page is perforated with extra large perforations for easy removal³. Every illustration is centered on the page and bordered with the illustrations far enough from the binding for easy coloring.⁴ Three illustrations in full color have been added to the covers to inspire you.

Love the Patchwork Quilt Designs coloring book from Creative Haven! The pretty designs make it fun to choose your favorite colors to create beautiful quilts without having to even thread a needle. Each quilt pattern is well drawn which makes them easy to color without too much deliberating. Liked this book so much that I will be ordering others. Love that Creative Haven coloring books have the designs printed only on the front of each page leaving the backs blank so you can use markers without worrying about them bleeding through.

This is by far the best coloring book yet. Most of them have way too many bold black lines and your pictures don't look very pretty when you are done. But this is the perfect balance of patterns and designs without the bold lines. It gives a lot of room for creativity. Really enjoying it.

I've never made a quilt before. I love to x-stitch though. Coloring these quilts will make me feel like I am "making a quilt" without having to stitch or sew one together.

When I received this I thought I had received the wrong book because the cover was different than the picture. I found the cover picture on the inside back cover. Some of the quilts to color were great but about six were not detailed enough for me. I am a quilter so I enjoyed being able to try out different color combinations.

Filled with eyecatching designs that are fun to complete. I was expecting some of the more traditional patterns like what I grew up with, but these were fun to learn and experience. Thank you Creative Haven and Dover. As usual, you didn't disappoint.

I really like this book, it offers many options and would easily work as patterns for stained glass

pieces.

Enjoyable book with unique designs for coloring including both simple and intricate designs. It is nice to have the older quilt patterns and new ones, too.
