Best Funny Stories: Best Funny Stories For Adults: Funny Jokes, Stories & Riddles, Book 3

Synopsis

Warning! Laughter and delight at ridiculous situations awaits you in this book. Listen with caution. Are you ready to engulf yourself in some silly tales that will make you smile? Do you want to hear some off the wall stories that are just adult enough? Well you have come to the right place. This collection of short stories will give you a chuckle or two with how strange they are, and their funny and entertaining tones. However, they are adult enough that you do not have to share your guilty pleasure with children, giving you something all to yourself. Follow these seven main characters as they find themselves in impossible situations that will make you laugh and leave you entertained for a few hours. These stories are for adults only. However, you do not have to devote hours on end to get a little bit of entertainment. These stories are short enough that you can listen to one in less than 10 minutes, and go on with your day, and not have to worry about losing track of where you were in the story, because you will have finished the story. Listen to them before bed, on break at work, in the bathroom. Pretty much anywhere you will have a few minutes to yourself. Remember, these are adult stories, so only share with your mature friends! Please, enjoy! This book may contain material that can be considered lewd or offensive.

Customer Reviews

I was laughing so hard when I was reading the Best Funny Stories. They trully live up to the title. Jokes insides are very clever and I will be buying another book as a gift for my sister. I just know she'll love them too.

Stupidest down load I ever done

I read few stories. May be it' just me. I didn't find it very funny :-(

Easy read. Very funny. Great price. I love the instant download, Kindle app on my phone, laptop and tablet.
